# Self Critique

**What did we do well?**

**What did we teach each other?**

**What can we do better?**

**What did we learn?**

**What effect did the peer reviews have?**

**What puzzles us?**

# Other Critique

([NBAdb](#))

**What did they do well?**

**How well did they implement your user stories?**

**What can they do better?**

**How effective was their RESTful API?**

**What did we learn from their website?**

**What puzzles us about their website?**

# Q&A
